MOSCOW, June 24.—Russian assault forces stormed the main hedgehog positions defending Vitebsk today, tightening a stranglehold on the almost isolated White Russian fortress, the first big objective of the new summer offensive winging westward on a broad front despite fierce German resistance.

Front dispatches indicated that quick blows cutting the last German-held rail facilities out of Vitebsk had virtually doomed the great base, probably the strongest fortified point on the entire Nazi-Soviet front.

Ministers Beaten

Two More Seats Won by C.C.F. Party in Sask.

REGINA, June 24.—(CP).—The C.C.F. membership in the next Saskatchewan legislature was increased to 46 yesterday with the election of Dr. H. E. Hous in Gravelbourg and R. W. Patterson in Turfhorst, both of whom took the seat from the Liberal administration.

DEFEATS MINISTER

Mr. Wood defeated Hon. W. F. Kerr, minister of non-war, with 58 of 60 votes reported. Mr. Kerr had 242 votes. Mr. Wood, 1,084, and Chester Hicks, Progressive Conservative, 308.

Dr. House Defeated

Dr. House defeated Mr. E. M. Culliton, minister without portfolio, with 58 of 60 votes reported. Dr. House, 1,084, and Chester Hicks, Progressive Conservative, 308.

TO ASK RESIGN

C. M. Fines, Regina, president of the Saskatchewan section of the C.C.F., has announced his party will request a recount in Culliton.

Factors in remote Cumberland riding are voting today, in the deferred election. Three members to represent armed forces personnel serving outside the province and overseas will be named later to bring the legislature membership to 55.

Robot Assaults

Again Slacken

LONDON, June 24.—Germany's robot bomb assault on southern England slackened again today, the ninth day of the German "terror" offensive.

The reason for the reduction in the number of flying fortresses sent winging across the coast from France was not apparent immediately, although it may have been due in part to the concentrated bombardment of their launching pill-boxes by Allied bombers.

Hundreds of Allied heavy bombers which headed out across the Straits of Dover this morning were believed to have bombed the robot planes before they also were hit twice yesterday.

Allied fighters were reported meeting increasing numbers of German fighters in the air before they crash to earth and explode.

PITTSBURGH, June 24.—The death toll from a tornado which swept a wide path of destruction in western Pennsylvania and northern West Virginia passed the 130 mark today, with hundreds homeless and injured and property damage running into millions of dollars.

Striking as described as a "cone-shaped" storm, the tornado tore up the ground in the two states, leaving with tremendous speed and traveling a trail of death-shattered buildings, uprooted trees and wreckage.

The known dead stood at 133-36 in West Virginia and 35 in western Pennsylvania, and the injured was estimated at close to 1,000, with many victims in critical condition.

Mayland also reported three killed and about 20 injured in the Garrett county area, when the twister crossed from adjoining West Virginia.

AREAS DEVASTATED
Whole districts virtually were devastated by the storm, which struck with such speed and concentrated fury that buildings appeared to explode. Some victims were known from their homes.

In rural areas, cows, chickens, pigs and other livestock were scattered over the landscape, and many were killed or injured.

The storm appeared to be at its height when it hit Shinnston, W. Va., where 79 were known dead and at least 300 injured.

American Troops Within Mile Of City Limits of Cherbourg

LONDON, June 24.—While American shock troops broke through the main German defences outside Cherbourg today and drove within a little more than a mile of the city limits, headquarters revealed the sinking last night of two enemy ships, presumably filled with troops, which attempted to escape from the big French port.

The convoy from Cherbourg was intercepted by British light coastal forces, which sank two of the merchantmen and damaged three others despite a heavy barrage from escorting craft. Then the British ships drove the convoy into refuge at the channel is-land of Alderney.

Meanwhile, progress in the land drive to seize Cherbourg is "steady but resistance is fierce and it looks like the attack on the port might turn into stubborn street fighting," supreme headquarters said.

The German high command said that fierce hand-to-hand fighting for Cherbourg developed yesterday and last night, and the Americans captured several stragglers. "To advance further toward the fortress."

Fighting for Cherbourg now is raging between the defensive belt and the town," the German Transcoastal command said today. "The Americans have succeeded in piercing the outer defense chain of the fortress."

Hundreds of United States bombers began pounding the last German defences of Cherbourg at 7:30 a.m. in a saturation assault which continued for two hours.

Great Numbers Allied Bombers Cross Channel

LONDON, June 24.—Hundreds of Allied planes, from fighters to Flying Fortress and Liberator bombers, crossed the channel in an endless stream today to support the assault on Cherbourg and carry out widespread attacks on German communication lines.

The Berlin radio reported that American bombers attacked the Rhine region of Germany today, the second straight day, and said they were not motivated by any plan by German and Romanian fighters.

Heavy bombers hammered targets in Northwest Germany this afternoon, and the Luftwaffe sent up a number of fighters to meet them.

Many of the returning formations came back with bombs and incendiaries between the Normandy battle zone area between Brest and Dieppe and it was believed they may have made new attacks on the Nazi rocket plane bases.

HIT MANY TARGETS
The American fighters, bombers and Liberators from the Eighth Air Force were escorted by Lightning, Thunderbolt and Mustangs as they concentrated on railroad bridges, airfields and other military installations throughout France.

Supreme headquarters announced that Ninth Army headquarters pounded the German heavy guns on the outskirts of Cherbourg with 100-mm. howitzers of explosives to "relieve the pressure on the front."

The daylight raids followed an "all night" attack on the launchers and platforms of Germany's rocket bombers by strong forces of R.A.F. fighters and Mustangs.

The reports' maximum temperature was 58 degrees, and the minimum 50 degrees.

One Life Is Lost

In Ontario Storm

TORONTO, June 24.—(CP).—One man was killed, several were injured and damage amounting to many thousands of dollars was done in Toronto and parts of western Ontario early last night by a severe thunderstorm.

Archie Phillips of Stratford, Ont., died in Victoria hospital at London last night from injuries suffered when he was hit by a timber as it was blown down by a violent lake hit the London area.

Scores of houses were leveled, and many homes and businesses were damaged. The spate first some distance north of Stratford, then cut southward across the eastern shore of the lake, then turned south.

Heavy damage was done in Toronto by an electrical storm which blew down power lines, flooded streets and caused several freak accidents.

Soviet Troops Gain Siege Arc Around Vitebsk

Continued from Page One
Strong Soviet forces broke into German positions on both sides of Vitebsk, east of the city, 85 miles to the south, and on both sides of the Smolensk-Minsk highway.

Soviet field dispatches said the central front offensive was developing smoothly, with Red army units steadily extending the initial gains of more than nine miles in the double breakthrough on either side of Vitebsk.

The extent and depth of the German field fortifications forced the Russians to start their 1944 summer campaign by employing forced reconnaissance on a very large scale.

KEY TO WHOLE FRONT

The scouting elements in force penetrated the mass of German trenches and seized jump-off positions for the main attack, which was launched after a pulverizing artillery and air bombardment.

Vitebsk was regarded as the key to the mopping up of White Russia, but its capture was not the main objective of the Soviet drive.

German reports said the whole 200 mile north-south front was under attack, with the main thrust coming from the south of Mogilev, 87 miles below Vitebsk, was flanking into action.

which compelled me to take the charge as I look in making my speech.

Referring to a statement of the Opposition Union National Party in the Quebec legislature, calling for the resignation of the senator from his position, Mr. Bouchard said: "It was expecting such a statement since I have been in the Senate for a long time as the typical representative of the French Canadian people."

"Instead of answering my arguments, he uses terrorist weapons and instead of proving me wrong he asks for my dismissal as chairman of Quebec Hydro."

IN PEOPLE'S INTERESTS

"It was not in my interests that I accepted that position but in the interests of the people of the province of Quebec."

"I am not anti-clerical in the least," he added. "I am a Catholic and anti-religious. If you give to the word anti-clerical, I am anti-clerical like Mr. St. Laurent, like the late Cardinal Verrier, whose reputation as a Catholic was more widely known than that of the chief of the Union National."

He quoted Mr. St. Laurent as saying: "Clericalism is the corruption of religion, as nationalism is the corruption of patriotism."

"I hope," he added, "that the people of the Province of Quebec will realize that as soon as possible."

Major and Minor Notes

By John Oliver

INTEREST in musical circles here in the last few days has been centred on the change in leadership of the military band of the 2nd (Reserve) Battalion The Royal Canadian Regiment, Sgt.-Maj. Graydon Tipp, who has held the post of bandmaster since 1941 when he succeeded Bandmaster Sergeant Edward Kirkwood, has been announced.

That such a well-schooled and experienced musician and conductor as Mr. Aldridge was available, as a fortunate thing for the band, and in fact, it will be in the nature of a home-coming for him, as in a previous period he occupied a similar position there. There is every reason to believe that under his guidance the band will maintain the splendid reputation it has enjoyed through the years.

The Royal Canadian Regiment military band possesses a wide spread and favorable reputation, and is carrying on a great tradition established during the Great War of 1914-1918. The band had its beginning when the 4th Battalion (Edmonton Regiment) C.E.F. was mobilized in January 1915. The 4th Battalion after great and proud record of achievement, passed out of existence when it was demobilized on return from France in 1919. Then, in the reorganization of the Non-Permanent Active Militia, in 1920, the Edmonton Regiment was formed and it carried on being mobilized for active service.

After the war, the band carried on with the Edmonton Regiment, with a large proportion of the members remaining. Mobilized in 1939 for active service, the band volunteered to the last man to go overseas, but by then old Father Time had made it mathematically impossible for most to go. But the boys have stayed together. They have given generously of their time for church services, appearances for war benefits and other deserving causes, making their contribution through music when they could not make it by service at the front.

Sgt.-Maj. Tipp's departure will be widely regretted. He is a trained musician, a saxophone player of exceptional ability and has been a leader for many years. As the leader of Tipp's Orchestra he has been in the forefront of dance band leaders for a long time, and there were years when his band could not fill all the engagements available.

(Sgt. J. 1939 and was included in the 1st Canadian Division. Soon the title of "Lark" was added. The 1st Battalion of the regiment is fighting with the 1st Division in Italy. The 2nd (Reserve) Battalion is carrying on as part of the 4th (Reserve) Brigade Group, under the command of Lt.-Col. R. Walter Hale, M.C., who fought in France with the militia in 1915.

The original bandmaster was the late J. B. Daly, whose party form at the head of the group, seemed to be a guarantee of excellence. The 4th band was famous even among the many fine music organizations in France. The "good old band" always was on hand to "play" the boys up as close to the trenches as discretion permitted, and always was ready, willing and able, to lead them back into battle when the covered rest periods arrived. And how the boys used to pep up when the regimental march "Bonnie Dundee" was played as the camp area was entered.

How "Bonnie Dundee" came to be chosen as the regimental march, apparently is one of the unexplained mysteries of the war. Once I asked Maj.-Gen. W. A. Griesbach, C.B., C.M.G., D.S.O., V.D., the original officer commanding the 4th band, what motivated him in selecting "Bonnie Dundee." It had struck me as unusual, as the 4th had no Scottish affiliations or associations—indeed its affiliate in the British Army is The Royal North Lancashire Regiment. Maj.-Gen. Griesbach replied that the only motive was that it was a good march. And of that there is no doubt.

After the war, the band carried on with the Edmonton Regiment, with a large proportion of the members remaining. Mobilized in 1939 for active service, the band volunteered to the last man to go overseas, but by then old Father Time had made it mathematically impossible for most to go. But the boys have stayed together. They have given generously of their time for church services, appearances for war benefits and other deserving causes, making their contribution through music when they could not make it by service at the front.

Special Course

Helen Porter, well-known city piano teacher, will be giving the music section of the Allied Arts Council, who is leaving next week, New York to a special course in music at Columbia University. During her absence her place in the Allied Arts Council will be filled by Pat Cory, who may be contacted by telephone 27450.

Bandmaster

Frank G. Aldridge, who has been appointed bandmaster of the 2nd (Reserve) Battalion The Royal Canadian Regiment, has been granted indefinite leave of absence.

Royal Canadian Regiment band at a performance by the Dumbells, in the theatre at Brany, while the division was out training for the attack on Vimy Ridge. And he negotiated some difficult passages for the accompaniment of Ross Hamilton, Red Newman, Bertram Langley and other original members of that famous troupe.

After the war Mr. Aldridge elected to settle here and he played the clarinet in bands and orchestras with outstanding success. His musicianship soon became apparent and he was called upon as a bandmaster, finding less and less time for play. When the Great War Veterans Association, the forerunner of the Canadian League, organized a band and sent it on a tour of Western Canada, in uniform closely resembling the R.C.M.P., Mr. Aldridge was the leader. The band and its conductor gained no little fame. When R. A. Bullock, now director of music for the 2nd (Reserve) Battalion Edmonton Fusiliers relinquished his post as conductor of the now defunct Edmonton Newsboys Band, Mr. Aldridge was appointed to succeed him.

Later, he was named bandmaster of The Edmonton Regiment, a post which he filled for several years. Recently he has been inactive musically so far as the public is concerned, although he has devoted some of his few leisure moments to composition. Now, composition probably will be relegated to an inconspicuous place so that all the available time will be devoted to the military band of the 2nd (Reserve) Battalion The Royal Canadian Regiment.

Giving expression to their determination to continue their activities and to develop and expand when and where possible, members of the Edmonton Philharmonic Society held their annual meeting and election officers Tuesday at the North Side Public Library. Officers elected for the next year were: President, E. Swindhurst; vice-president, Constance Gagar; secretary, Leon Bell; treasurer,

People Are Scared Life in South England Proves Far From "Lark" As Nazi Robots Strike

Life in "southern England" under the German rocket bombs isn't completely described in the communications which detail "Lark" damage or in optimistic speeches in parliament. Here is a dispatch from the British United Press correspondent, who tells the feelings of one who has been "scared an average of two or three times a day, every day for more than a week."—EDITOR.

SOMEWHERE IN SOUTHERN ENGLAND, June 24—
"When you hear the sound of the tone, it will be seven o'clock," the radio announcer warns. When you hear the sound of a radio bomb—you don't need anyone to warn you to listen for the explosion.

For more than a week now, life in "southern England" has been on a time signal after another, with the same question recurring: "Is it my time or someone else's time?"

You start listening when you hear the plottish plane boring across the sky, distant at first, but coming closer. The roar increases and then goes suddenly silent. It's the most deadly silence you've ever known.

FEW SECONDS TO LIVE
Somewhere within a mile or so, someone has to live it. You do have only 15 to 20 seconds to live before the rocket strikes. You can't be sure it isn't you until you hear the blast.

You wait until the rocket strikes the floor, sitting round to your chair or rooted at the roadside as the second tick bursts. Then perhaps there's just a rattling of the window and you know you're lucky. Maybe the glass breaks or a rano-edged fragment flies by.

I've been scared like that an average of two or three times a day every day for more than a week. There aren't many people in southern England who aren't scared, too, when that motor goes dead and the rocket goes into its plunge. But there aren't as many scared now as there were a week ago because most of those who were scared are dead.

BUT LIFE GOES ON
That is not to say that the English aren't taking the new prospect of sudden death with the reserve that Great Britain has shown for 50 years of war in a country where the home front is a war front. Trains still run on schedule and delivery men in the same numbers.

When an incident—what the Germans call a "Luftangriff"—occurs, civilian defence officials go into action, but only a tiny segment of southern England is affected and southern England is a big country.

Windows for four blocks around are shattered but no one takes any great notice. The new prospect of sudden death is not a new prospect. There are millions of people in the United Kingdom who are scared by the new Nazi weapon but the British know that only a few thousand are killed in a raid when these attacks no matter how long and how often, come.

Officers Honor Area Commandant on His Retirement After 37 Years Army Service

—Photos by Alfred Blyth Studios

At a dinner in the Macdonald hotel Friday evening given by officers of all Canadian Army units in the Edmonton area, Lt.-Col. E. Brown, M.M., E.D., retiring Area Commandant, was the guest of honor. He is relinquishing his post in order to return to civilian life as chairman of the Veterans' Rehabilitation Commission, recently set up under the new provincial welfare department, and in which he will continue his close associations with returned men, and will be able to carry on his efforts in their behalf. Lt.-Col. Brown

was presented with a silver tea and coffee service by his brother officers to go with the silver tray presented him the previous evening by WO's and Sergeants of the Edmonton Garrison. More than 100 officers and guests attended the dinner. The above photos were taken by The Edmonton Bulletin cameraman, Alfred Blyth. From left to right, top, are shown: Robert B. Strecker, the new United States consul here; Hon. Chief Justice Horace Harvey; Lt.-Col. Brown, the guest of honor, and Brig. F. M. W. Harvey, V.C.,

M.C., district officer commanding M.D. 13, Calgary. In the centre panel are Premier Ernest Manning, who is a captain in the 2nd (R) Bn., The Loyal Edmonton Regiment; Brig. Harvey, and Air Vice Marshal T. A. Lawrence, officer commanding the Northwest Air Command, R.C.A.F. In the lower panel at the left are Lt.-Col. H. E. Pearson, M.C., officer commanding the 2nd (R) Bn., Edmonton Fusiliers; Lt.-Col. R. W. Hale, M.C., E.D., officer commanding the 2nd (R) Bn., The Loyal Edmonton Regiment, who

acted as chairman and Lt.-Cmdr. J. A. Dawson, officer commanding H.M.C.S. Nonsuch. The lower panel at right shows the trumpet section of the orchestra from the regimental band of the 2nd (R) Bn., The Loyal Edmonton Regiment, which highlighted the evening's entertainment with musical and novelty numbers. From left to right are shown Bandman George Poole, Bandman Harry McAnish and Sgt. Cliff Wright. Bandman Bob Wright is the brass bass player, hidden from view by his instrument.

Retiring Area Commandant Guest of Honor at Dinner Given by Garrison Officers

More than 100 officers and guests gathered in the Macdonald hotel Friday evening at a dinner given by the officers of the Edmonton garrison, in compliment to Lt.-Col. E. Brown, M.M., E.D., Edmonton Area Commandant since the outbreak of the present war, who is retiring after 37 years army service to enter civil life as chairman of the Veterans' Welfare Commission recently established under the provincial department of public welfare.

Lt.-Col. Brown, who has experienced a long and distinguished career in the Canadian Army, was presented with a silver tea and coffee service by his brother officers.

Lt.-Col. R. W. Hale, M.C., E.D., officer commanding the 2nd (R) Battalion The Loyal Edmonton Regiment, was chairman for the evening and he introduced the guest of honor to the gathering.

Speakers were Brig. F. M. W. Harvey, V.C., M.C., district officer commanding M.D. 13, Calgary, for the Army; Air Vice-Marshal T. A. Lawrence, officer commanding the Northwest Air Command, R.C.A.F. for the Air Force; Lt.-Cmdr. J. A. Dawson, officer commanding H.M.C.S. Nonsuch, for the Navy; Premier Ernest Manning for the province of Alberta, and Alderman Sidney Parsons, acting mayor, for the city.

ORCHESTRA PLAYS
Entertainment was provided by an orchestra from the regimental band of the 2nd (R) Battalion The Loyal Edmonton Regiment, under Sgt. Frank Parks, who also has 37 years' army service to his credit. Others in the orchestra were: Sgt. Cliff Wright and Bandman Harry McAnish, Adam Dobbin, Allan Brown, Norman Clark, George Poole, Harry McAnish and Bob Wright.

Among the guests present were: Hon. Chief Justice Horace Harvey; Premier Ernest Manning; Hon. Dr. W. W. Cross, minister of health; Dr. Robert Newton, president of the University of Alberta; Brig. F. M. W. Harvey, V.C., M.C.; Air Vice-Marshal T. A. Lawrence, Lt.-Cmdr. J. A. Dawson, Group Capt. V. H. Patrice, A.F.C.; Capt. W. R. "Pop" Moe, O.B.E., D.F.C.; Aid Sidney Parsons; Robert B. Strecker, U.S. consul; Capt. James A. Bell, Louis Scott, M.B.E., D.C.M., officer commanding Currie Barracks, Calgary; Col. H. R. Carr, U.S. Army Air Force; Maj. M. H. Johnson, U.S. Army; Sgt. Ldr. John Bethell; Maj. C. V. Barker, Chief Constable Reginald Jennings; J. H. Wildman; Capt. R. B. Wilson, public relations officer; M.D. 13, Calgary; Capt. H. H. Douglas, E.D., Edmonton Garrison orderly officer; Maj. R. F. C. Allen; Capt. G. H.

Youth Is Charged By Toronto Police In Church Blaze

TORONTO, June 24.—(CP)—Edward Robert Baker, 18-year-old member of the church congregation, last night was arrested by city police on a charge of arson in connection with the \$100,000 fire which virtually destroyed the avenue road Church of the Nazarene last March 18. Police said Baker had helped other members of the congregation two nights before the fire at a cleaning job preparing the church for a reopening. They find they believed cleaning fluid taken to the church for the beer was used to set the blaze.

When the first Great War broke out he enlisted with the 101st Regiment (Edmonton Fusiliers) as a private.

During action in France he was gassed twice and arrived back in Canada just three days before the Armistice was signed. He was awarded the Military Medal for action in the battle at Sanctuary Wood in the spring of 1916, and was promoted to sergeant.

When peace came he had qualified for promotion to lieutenant but peace prevented his being gazetted for the commission. When the Edmonton Fusiliers unit reorganized in 1921, he rejoined his old battalion as signals officer with the rank of lieutenant. By promotion he became a company commander and then in 1933, officer commanding the unit.

In 1937 he became garrison commander and shortly after the outbreak of war he was appointed area commandant. Prominent for many years in civil life in Edmonton, he served as an alderman in 1939 and 1940.

He came to Canada in 1912 and

Eight Shermans Lost

Alberta Men in Fierce Tank Drive Against Foe

WITH THE CANADIAN CORPS IN ITALY, June 24.—(CP)—The first day was a "picnic", the Squadron officer said. The second was the antithesis of the first.

For this and other squadrons of the British Columbia Dragoons there were the days of their debut in offensive tank warfare in Italy. The Squadron of Mts. J. G. Turner, Calgary and Winnipeg, during the first day rolled north from the broken Hitler line and everything was successful. Prisoners were taken in Anti-tank guns were knocked out. Eastern Canadian infantry rode on the tanks and piled off when the time came for action on foot.

That was May 24.

UNDER CONSTANT FIRE

From 8.30 a.m. until 8 p.m. May 25 the squadron never left its Sherman, was under almost constant fire and saw eight of its tanks go up in flames. It was credited with two tanks and four anti-tank guns. That was the day it was ordered forward to buttress a bridgehead across the Melfa River, to sit and hold and be prepared to act in the event of a German counter-attack.

Sgt. R. Robertson, Cowichan Station, B.C., commanded a troop throughout that day as subordinate for an officer who became a casualty before the crossing. His crew included Tr. P. Baumgartner, Tofield, Alta.

When finally the squadron was withdrawn across the Melfa it rumbled back with the knowledge that, despite its casualties, its mission had been fulfilled. That they hadn't dared try a counter-attack. The bridgehead stuck.

Maj. Turner's second in command is Capt. W. S. Anderson, Red Deer and High River, Alta.

Jap Merchantman Sunk or Damaged In Aerial Attack

ADVANCED ALLIED HEADQUARTERS, New Guinea, June 24.—(AP)—Heavy bombers sank or damaged a 3,000-ton merchantman off Sorong, on the northwestern tip of Netherlands New Guinea, headquarters announced today. The attack, made June 22, continued landing the results against what has been described as Japan's last effective air base on New Guinea.

Five coastal vessels and three barges were sunk or damaged off Sorong June 22. In other attacks, Nonorin Island—west of Samar—was hit by a B-24 Superfortress—Truk Rabaul and Buksa were bombed.

Canadian Bombers Blast Robot Bases, Help in Invasion

OTTAWA, June 24.—(CP)—R.C.A.F. heavy bombers, escorted by Spitfires, attacked enemy "flying bomb" installations in the Pas de Calais area in the last week, while fighters and other bombers supported invasion forces and pounded industrial targets, air force headquarters reported last night in the weekly summary of operations overseas. "Although reports on these operations are not complete, it is so far known that eight R.C.A.F. fighters and 15 heavy bombers are missing," the summary said.

Wind Damage
AKRON, O., June 24.—(AP)—Six persons were injured and property was damaged extensively last night by a high wind which struck five miles long and half a mile wide near Hiram east of here. Barns were knocked over and houses swept askew by the wind.

Dodgers Still Leading Club Team Batting

I.T.S. Triumphs Over Nonsuch 6-4 For Six Straight

It is rather a coincidence that each of the clubs in the Senior Baseball League has a player amongst the top four of those hitters who have been up to the plate 15 times or more. All teams have improved their hitting since the last averages were published and three of them their fielding.

During the past two weeks, Signals bettered their team fielding by 12 points and their batting by 17. Arrows slipped three points in fielding, but went up 10 in batting. Dodgers lifted their club hitting by 10 and their fielding by three points, while Arrows fielding remained the same, but they hoisted their team batting from 238 to 284.

Dodgers have five of the thirteen 300 hitters (Mel Ottem, 455; Harry Baldwin, 379; Eddie Williams, 333; George Green, 323 and Ray Morgan, 320), while Arrows have three (Fred Lupul, 383; Jack McGill, 364, and Ed Gault, 360). Yanks also have three (Manuel Dorsky, 391; Doug Roush, 379; Bill Myers, 323), and the team Bob Sawyer, 424 and Nelson Dorsky, 313.

Seems odd to see Jim Kelly out of the charmed circle, James drew a blank in five trips through the plate and that gave his average over .500. Kelly had one in four tries the previous game, but was unable to repeat the feat. Sawyer, who has been modest for him, Sawyer has been batting the ball in his last two seasons. He is now being junked by his line-up three, but he has his hits (including a homer and a triple) from his attempts for a healthy figure of .345.

Bounding Home Top Weighted For Rich Dwyer Stakes Today

NEW YORK, June 24. (AP)—Bounding Home will attempt to prove his Belmont Stakes victory was no fluke today when he opposes nine other three-year-olds in the \$50,000 Dwyer Stakes.

Admission to Aqueduct will be by war bond only with \$25 and \$50 bonds entering the purchaser to the grandstand and \$100 or more to seat in the clubhouse. Track officials declined further offers to estimate how many bonds would be sold but pointed out that the emphasis has been on the purchase of the smaller denominations. Last year a similar day at Belmont realized \$28,000,000.

Bounding Home, owned by William Ziegler, Jr., will pick up top weight of 126 pounds and give from six to 20 to his rivals in the 21st running of the mile and one-quarter stake. Since the Belmont Stakes was a mile and one-half the son of Euphrosia may find the distance too short.

He will contend with such speed horses as A. P. Parker, by Jiminy, winner of the Shreveport last Saturday; Mrs. Payne Whitney St. Ur, third in the Kentucky Derby and Prekness; George D. Widener's Lucky Draw, and such fast finishers as Mr. Ethel D. Jacob's Shut Up from Joe Goldblatt's Erlanger Stable and Roy R. Martin's Kaylee.

Rutherford Batteries

Ken Frazier was the pitcher and Kay Hutchinson the catcher for the Rutherford school Grade 7 and 8 girls team which defeated Eastwood 20 straight in their football play-off this week. Their names were inadvertently omitted from the lineups of the two teams in yesterday's issue.

GIRLS

REAL FIGHT TO DODGERS

THAT Capt. Harry Baldwin is a very valuable asset to his team is ready to be proved by the record. He has been hitting 400 up to Thursday, when one for four pulled his average down, but he has several other claims to the spotlight.

In addition to ranking second, along with Doug Roush, to Sawyer for the greatest number of hits, Baldwin leads both in runs scored (11) and run-batted-in (9). He has two triples, one below George Green and Joe Shandor for home on balls (7).

Aside from being the circuit's leading base-stealer with six, Baldwin enjoys the distinction of being the only player to have been a fly-catcher three times (11). Bill Myers of the Yanks and Nick Maschick of Arrows having two each.

The run-batted-in column is one most usually looked upon as being a reliable gauge with which to measure a player's value. It is a player. Here are some of the figures: Baldwin, 9; Dorsky, 8; Ottem, 7; Roush, 6; Morgan, 5; Williams, 4; Sawyer, 3; Green, 3; Stevenson, 3; Shandor, 3; Williams, 3; Brockie, 4; Lupul, 4; Stafford, 3; Nelson, 2; Schumacher, 2; Birchfield, 2.

Cards Battle to 5-5 Tie In 14 Innings with Pirates

PITTSBURGH, June 24.—(AP)—Pittsburgh Pirates and St. Louis Cardinals of the National League battled through 14 innings, the last six scoreless, to a 5-5 tie Friday night. The game was called at the end of the 14th by the league rule ending night games at 1 a.m.

The Pirates tossed away a chance to end the deadlock in the seventh when Pete Capeo singled and Jim Russell and Jack Barrett both were safe on attempted sacrifices. But Al Rubelling, Tommy O'Brien and Babe Dahlgren all were out on strikes for Sylvester Connolly, the Cardinals' fifth pitcher.

Ray Sanders, rapped Preacher Roe, first of five Pirate hurlers, for a homer in the first inning. St. Louis, 111 000 010 000-5-12 Pittsburgh 021 000 000 000-5-12 (14 innings), called curfew.

Lanier, Wicks, (4), Schmidt (6), Langer, (4), Duerksen, (3), W. Cooper, O'Dea (9); Roe, Cuculich, (5); Star, (9); Rescigno (12). Butcher (14) and Lopez (14) led with four hits each. Reds had four hits in the fourth, but the Dodgers into a fourth place tie with Cincinnati.

Red Sox Defeated Again
As Senators Triumph 7-1

BOSTON, June 24.—(AP)—American League pennant hopes of Boston Red Sox, given a severe jolt in Philadelphia where they lost four games out of five, took another bump Friday in a 7-1 setback by Washington Senators.

Pivotal pitching by Early Wynn and some grade-A slugging by Gilberto Torres and Stan Spence brought the Red Sox down.

Torres and Spence each got three hits in five trips to the plate and each drew a pair of runs. The Cuban included a double in his collection of blows.

NEW YORK, June 24.—The almost certain and in all probability unanimous selection of William "Bucky" Walters for this year's all-star game gives what we think is a definite advantage to the National League.

Walters, ace right-hander of the Cincinnati Reds, is unquestionably the best right pitcher in baseball and if he is manager Billy Southworth's choice to start for the senior circuit, and his record indicates that he will be, the American League players will be in a bit of a predicament.

Home-Building Permits Reach 500 Mark Here

Building permits for dwellings issued by the city architect's department reached the 500 mark on Saturday, the permits having an aggregate value of more than \$140,000.

Since June 1 more than 100 permits have been issued with a value of more than \$40,000 to bring the aggregate for the year so far to \$140,000, and the total number of permits to 502.

Officials of the land department said that sales of city owned land during the last few weeks would indicate that the building permits total for the year would probably exceed the 500 mark. If present rates of sales is maintained.

It was stated that a present there is no sign of such abatement as inquiries for city property seem to be on the increase rather than on the decline.

Maxwell C. Dewar, city architect, said that city officials of essential facilities such as plumbing supply, bath, and furnace will keep the home building total below the 500 mark.

During the last two days 25 permits were issued for homes, the value of the permits being \$60,000. This is an average of \$2,400 for each house.

The permits were issued to: Margaret H. Tocher, 11439 86 street \$1,500; D. and S. Pashin, 12241 71 street \$1,200; J. H. Oslund, 12118 71 street \$2,000; J. T. McHale, 11337 93 street \$2,500; Norrimer Burgess, 12118 127 street \$2,000; R. Bowles, 12134 135 street \$2,000; J. C. Curlett, 13308 102 avenue \$1,500; Mrs. G. P. Killick, 11229 96 street \$3,500; Karl Wohlgemuth, 10378 78 avenue \$2,000; John Wallin, 11549 81 street \$2,500; D. L. Phillips, 11549 81 street \$2,500.

Oral Straas, 11008 82 avenue \$6,200; John Anderson, 11800 96 street \$3,500; Paul Hubman, 11826 96 street \$3,500; J. J. Sparks, 11422 96 street \$3,500; Charles J. Lechelt, 1201 65A street \$3,000; H. James, 9653 87 avenue \$3,000; J. J. Miller, 9025 128 avenue, \$700; Mrs. A. Bolavert, 12716 122 street \$2,500; Nicholas Malanuk, 11027 108 street \$3,000; H. Chaslow, 9168 90 avenue \$4,000; David Frazer, 10282 87 street \$1,500; Isaac Leighton, 9716 96 street \$1,500; H. J. Armstrong, 11414 92 street \$2,500; and Frank McCormack, 10905 14 street \$2,500.

A permit for \$1,200 was issued to the Russian Orthodox church covering repairs and renovations at 512 128 avenue, and to Mrs. B. McKillop 10435 85 avenue, for repairs to a store at that address.

Mounted Police Report Deaths

Three deaths from natural causes were reported Saturday by R.C.M.P. here.

The deaths reported were those of John Nicholson, 80-year-old resident of Moon Lake, Oscar Babilz, of the Leduc district, and Hugo Wiesener, 38-year-old farmer of the Provost district.

While it is not stated officially, it was believed Mr. Nicholson is a former member of the R.C.M.P., serving during the Red rebellion. A check of the organization's files at Ottawa will be made to ascertain authenticity of the claim.

He died about 2 p.m. Thursday, of natural causes. There are no known relatives.

Natural causes were also attributed to the death of Mr. Babilz, whose home is about five miles west of Leduc, about 2 p.m. Thursday.

Hugo Wiesener, a bachelor, was said to have suffered for some time with a heart condition. A brother, Richard Wiesener, finding him at his farm home, Thursday afternoon, went to a neighboring farm where he found his brother dead in a stable.

No inquests will be held.

MORNA MICHIE
Among the latest members of the C.W.A.C. to leave Calgary for Kitchener, Ont., for basic training were four Edmonton and district girls. Pte. Morna Michie is the daughter of Mr. and Mrs. C. E. Michie, 11415 71 street. She has one brother in the R.C.A.F. Pte. Victoria Trupchuk, daughter of Mr.

Leading Score City Squadron Makes Appeal

F.O. Johnny Caine, O.F.C., top scorer of the City of Edmonton Squadron overseas, appealed to the citizens of Edmonton to get behind the drive for funds being sponsored by the Lion's club, to provide comforts for men of the squadron.

F.O. Caine and F.O. Herbert Jones, another member of the group, who returned from overseas this week spoke at a band concert held at Jasper and 101 street.

F.O. Caine gave much credit to the men of the ground crew saying that the squadron's remarkable success was due in no small way to them. "Sometimes it is necessary for them to work 18 or 20 hours a day in order that the planes could get away from England in perfect mechanical condition," he said.

He said that cigarettes purchased in England cost the boys more than 50 cents for a package of 20 and that with a pay of \$130 a day gifts of cigarettes were most welcome.

Speaking further on what could be done to make life more pleasant for these men, "Johnny" said that after working long hours they would turn in and sleep on tarpaulins because of the lack of furniture, and that they were on 30 second call to meet incoming planes.

On behalf of the squadron overseas, to which I hope to return in the very near future, I wish to thank all the citizens who have subscribed to this fund and to take this opportunity to appeal all others to do their part on behalf of the squadron which they have adopted.

The band from No. 3 "M" Depot played a concert with Squadron Leader J. F. Byrnie, in charge of the R.C.A.F. party.

Captain W. R. "Pop" May, O.B.E., D.F.C., interviewed the two airmen.

Stan Parker, master of ceremonies, stated that the fund has passed \$3,500 mark and officials are confident that if subscriptions continue to come in at the present rate the fund will go over the \$15,000 objective by Saturday night.

"In a city of this population we are asking each citizen to contribute less than 15 cents," he stated.

Donations to the fund may be left at any chartered bank, city treasurer, Civic Block or Mike's restaurant.

3 Municipalities Studying Program

Three municipalities in Alberta are studying the Dominion government plan to supply army doctors to areas now without services of medical practitioners, it was learned Saturday.

According to Hon. Dr. W. W. Cross, minister of health, draft agreements to put the plan into operation have been forwarded to the municipalities. So far there has been no indication of acceptance.

To supply a doctor to a rural area would cost in the neighborhood of \$8,000 a year, it was stated by health authorities here some time ago. This cost to the municipality

was to be guaranteed by the province to the Dominion. The municipality in turn was to make a guarantee to the province covering the expense.

Alberta has been faced with a serious shortage of medical doctors and dentists, due to enlistments in the armed services. A contributing factor is that all medically fit grad-

uates in medicine and dentistry from Canadian universities are taken into the forces upon completion of course.

A Norwegian scientist reported that movement of glaciers forth and back regulates drought and flood.

Killed Instantly
RADVILLE, Sask., June 24.—(CP)—Ernest Dionne, 35, of Radville, was killed instantly yesterday when the truck in which he was riding turned over near here. Ernest Urban suffered alleged injuries. The truck was driven by William Smigrowski.

Crushed to Death

WINNIPEG, June 24.—(CP)—Eric App, 32, of Winnipeg, was killed yesterday when crushed by the counter-balance in an elevator shaft in a downtown Winnipeg building. Police said App, a machine helper, was inside the shaft working on a third-floor when the accident occurred.

Superintendent of schools, R. S. Sheppard, lent his support to these

speaking by saying a few words of thanks to the retiring teachers for their past cooperation. To those remaining, he said he hoped when they reached the retiring age and reflected on the past they could feel "the job had been done and done to the best of their ability."

To all teachers present he stressed the influence of the teacher in the moulding of a child's character and said that this is felt, not just in his community, or his province, but in all of Canada.

RETIRING TEACHERS
These teachers retiring as of July 14 this year are Misses L. M. Durand, A. D. Lyle, E. L. Joudrey, all of King Edward public school; Miss E. M. Switzer, King Edward intermediate; Miss O. M. Thomson, Weeden high school; Miss A. A. Brown, principal Jasper Place and V. Muney, Norwood public school. Tom Blacklock, president of Elementary Teachers' Association, acted as chairman.

* Mrs. Melrose, a retired school teacher for ten years, told the teachers, "you will have ups and downs, and may your 'ups' be many and your 'downs' so insignificant that they will only serve to make the 'ups' more bright. To the retiring teachers, God's speed and God's richest best."

Whether you stay with us or go to some other place we wish you—God speed!"

Replying to Mr. Clark, V. Muney, retiring teacher from Norwood Public school, told of the changes he has seen in 33 years of schooling and how thankful he had been to have boys from the army, navy and air force come to him and express their gratitude for what he and other fellow-teachers had done to help them in their present undertaking.

Miss Berneice Melrose and Miss Lois Grant, the latter of Westglen high school, sang and recited, respectively. Miss A. Wish led the community singing. Egon Grapentine was violin soloist of the evening.

Offers good wishes

In closing he expressed the best of good wishes on behalf of the assembled friends and fellow teachers to those leaving, and said, "Whether you stay with us or go to

The Canadian Athletic Club Extends Its Sincere Thanks For Their Co-operation

A diagram of a tree with a trunk and a canopy. To the left of the trunk, a vertical cross-section of the soil is shown. It is divided into two layers: a top layer labeled "Land or Human" and a bottom layer labeled "Fertilizer". A vertical line with arrows at both ends indicates a depth of "15 in 18 inches". To the right of the trunk, a network of roots is shown extending into the soil. Some roots are horizontal, while others are vertical. Small circles representing soil particles are scattered around the roots.

The diagram shows a tree with a trunk and branches. A vertical line on the trunk is labeled 'Hole' at the top. A horizontal line across the trunk is labeled '3 Ft.' on the right. A box on the left contains the following text:

A—Measure diameter of tree 3 feet above grade to determine amount of plant food
B—Holes are 2 to 3 feet apart
C—Spread of branches

The tree trunk has several small circles representing holes. The branches are shown as a network of lines.

estimated amount of fertilizer is then equally distributed in the holes to within 3 or 4 inches of the top and the hole filled with soil and or other porous material to permit easy entrance of water. A well-balanced fertilizer, organic if possible, such as a 10-6-4 or 5-10-3,

AT LEAST YOU KNOW THEY'RE GETTING PLENTY OF SUPPORT—PLANES, ARTILLERY, TANKS...

I—I CAN'T HELP BEING WORRIED, WITH TOM'S OUTRIT ON THEIR WAY UP TO THE LINES.

JERRY SIEGEL AND JOE SHUSTER

BECAUSE SALLY WILSHIRE THOUGHT HER INFANTYMAN BOY FRIEND TOM RICHEY HAD THE WAR'S MOST UNGLAMOROUS JOB, SUPERMAN HAS RECEIVED PERMISSION TO SHOW HER JUST WHAT THE PLODDING DOUGHBOY DOES IN AN ACTUAL THEATER OF OPERATIONS.

—BUT YOU MIGHT AS WELL REIZE THE TRUTH THAT A TOUGH ENEMY IS THROWING EVERYTHING BUT THE KITCHEN SINK AGAINST THOSE DOUGHBOYS OF OURS!

I GUESS IT'S—PRETTY BAD, EH?

IT'S NO SUNDAY SCHOOL PICTURE, SALLY. THE INFANTYMAN IS THE MAN THEY ALL WORK ON.

IT MAKES ME ASHAMED THAT I THOUGHT TOM WASN'T DOING BIG A JOB AS ANYONE...

IN A MINUTE YOU'LL SEE WHAT A JOB HE'S REALLY DOING—AND OF COURSE YOU'LL BE PERFECTLY SAFE, WITH ME ACTING AS SORT OF A BULLET-PROOF VEST.

I KNOW, SUPERMAN—BUT EVEN IF MY LIFE WERE IN DANGER, I WOULDN'T COMPLAIN—NOW!

THERE THEY ARE NOW! TOM'S OUTRIT—ATTACKING!

SAY A PRAYER FOR THEM, SALLY!

MONTHS AND YEARS OF GRUELING TRAINING MEET THE ACID TEST—AND PAY DIVIDENDS! AS THE BLOODING FOOT SOLDIERS PUSH RELENTLESSLY FORWARD!

TOSS ME ANOTHER GRENADE, TOMMY—I'M FRESH OUT!

OKAY, CATCH!

AND MUCH LATER, AFTER HARD-WON POSITIONS HAVE BEEN CONSOLIDATED...

TOMMY, YOU'RE WONDERFUL—YOU AND ALL THE OTHER DOUGHBOYS! IT'S A PLEASURE TO BE PROUD OF!

SHUCKS, SALLY, WE'RE JUST DOING OUR PART OF THE JOB LIKE THE AIR FORCE BOYS AND THE TANKMEN, AND ALL THE OTHERS ARE DOING THEIRS.

—AND THE BOYS IN THE NAVY, TOO, AND THE COAST GUARD AND THE MARINES! BUT IF YOU REALLY WANT TO SING SOME PRAISES, SING 'EM FOR THOSE LADS OVER THERE.

—THE MEDICAL CORPSMEN—THE GUYS WHO GET RIGHT OUT INTO THE THICK OF IT WITHOUT EVEN A GUN, TO TAKE CARE OF THE WOUNDED.

OKAY, SOLDIER—EASY DOES IT!

GOOD-BYE FOR NOW, TOMMY. SUPERMAN'S TAKING SO I CAN TELL ALL THE FOLKS HOW PROUD I AM TO BE ENGAGED TO AN INFANTYMAN.

—AND THAT, AS THE FELLER SAYS, IS THAT!
